

## **Video Clip Listening Logs**

By Christine Maher

1. Preview the video to identify challenging vocabulary words. (Note: Not all video clips have text.)
2. Pre-teach key vocabulary.
3. Remind ELLs they may not understand everything in the video – that is okay.

### **Listening Logs**

- Teacher: Write multiple – choice questions to go with the video to assess comprehension
- Teacher: Create video discussion questions for collaborative conversations about the academic content
- Students: Write questions based on 5 W’s to summarize what they watched
- Students: Pick out “gist” words and use the words to write a summary
- Students: Top 10 List – Pick out 10 \_\_\_\_\_ from the video.  
(e.g. Top 10 ways to Conserve Water)
